

# OCYL's Adopt-a-Reader Program

*Help build the foundation of a good education!*

- ◆ Our Early Childhood Literacy program has served 423 students to date.
- ◆ 20% of the participants attend for free.
- ◆ In just the first 12 weeks, the program increased the number of students who knew their alphabet by 40%!
- ◆ In just 12 weeks, the number of students who could read 5 or more words increased by 20%!
- ◆ Each classroom has a Masters Degreed Teacher and a teacher's assistant resulting in a 6:1 student teacher ratio
- ◆ Here's what parents have to say..
  - Where do I begin, this program is amazing!
  - I am so thrilled with the Early Childhood Literacy Program. My daughter has progressed so much in the few short months she has been attending. Thank you for creating an excellent program.
  - This program is a MUST in our town and I believe it helps better our school education in the long run, as it helps early literacy for our children and make the transition from home to school smoother.
